

## SEND Information Report

January 2020

Head Teacher:	Mrs H Albery
SENCo:	Mrs L Walton
SEN/D Governor:	Mrs C Bantock
Local Authority	North East Lincolnshire

At Yarborough Academy, the staff and governing body are committed to providing an appropriate, inclusive and high quality education to all children. We value the abilities and achievements of all our pupils and are committed to offering everyone the same entitlement to the whole school curriculum by ensuring its accessibility.

Under the Code of Practice 2014, SEN/D is categorised into the following four headings:

- ***Communication and Interaction*** e.g. Autism Spectrum Disorder (ASD), Asperger's Syndrome, speech, language and communication needs.
- ***Cognition and Learning*** e.g. specific learning difficulties (SpLD), moderate learning difficulties (MLD), severe learning difficulties (SLD), global developmental delay, dyslexia, dyscalculia and dyspraxia.
- ***Social, Emotional and Mental health difficulties (SEMH)*** e.g. attention deficit hyperactive disorder (ADHD), eating disorders, attachment disorders and depression.
- ***Sensory and /or physical needs*** e.g. Hearing impairment (HI), Visual impairment (VI) or Cerebral Palsy

Please click on the link below for information on the new Code of Practice for Special Educational Needs and Disabilities (SEND).

This report is designed to answer frequently asked questions about the schools approach and provision for children with special educational needs and disabilities.

### 1. Identification and assessment of special educational needs at Yarborough Academy

We aim to identify special educational needs and disability as early as possible. The school makes a decision through discussions with the class teacher, parents/carers, SENCO and if appropriate other professionals from outside agencies. Alongside this we use assessment consisting of both standardised testing and on-going teacher assessment to inform us of a pupil's progress. Pupil progress meetings are held on a termly basis, which highlights children of concern and further discussion can be had to determine the cause of limited progress.

Our SEND policy can give you the information you need about how we make provision for all pupils with SEND. This policy is available to view on the school website.

Contact details for SENCO and SEN Governor are outlined below.

	Special Educational Needs Coordinator (SENCO)	Special Educational Needs (SEN) Governor
Name	Mrs L Walton	Mrs C Bantock
Contact Email	<a href="mailto:office@yarboroughacademy.co.uk">office@yarboroughacademy.co.uk</a>	<a href="mailto:office@yarboroughacademy.co.uk">office@yarboroughacademy.co.uk</a>
Address	Yarborough Academy Yarrow Road Grimsby DN34 4JU	Yarborough Academy Yarrow Road Grimsby DN34 4JU

### 2. Making provision for pupils with SEND

Quality first teaching ensures the majority of SEND pupils have their needs met. However, in some cases interventions or personalised learning plans (PLP's) will be provided by the academy. If a pupil is identified (via the assessment process) as having SEN/D we work with the class teacher, parents and pupils to determine the additional provision required. This will often be done in conjunction with the SENCo and depending on the needs of the child an outside agency. At Yarborough Academy we follow the graduated response (assess, plan, do and review) as outlined below:

<b>STEP 1: Quality First Teaching (Concern)</b>			
<b>Assess</b>	<b>Plan</b>	<b>Do</b>	<b>Review</b>
<p>Assessments identify that a child is not making progress or a specific area seems to be a barrier.</p> <p>Identified by class teacher, SENCO or head teacher during pupil progress meetings or in everyday teaching</p> <p>Parental Concern</p>	<p>The class teacher will ensure there is targeted provision on the whole class provision map.</p> <p>Additional differentiation and support</p>	<p>Pre and post teaching and learning within a small group.</p> <p>Adult Support</p> <p>Peer Support</p> <p>Focused marking</p>	<p>Assessments reviewed during pupil progress meetings to evaluate impact of provision.</p>
<b>Step 2: Child moves onto SEN register (SEN Support)</b>			
<b>Assess</b>	<b>Plan</b>	<b>Do</b>	<b>Review</b>
<p>Analysis of standardised assessments to pinpoint specific need. SEN teacher toolkit used to assess needs.</p> <p>Discussion with SENCO to complete move onto SEN register under one of the following categories:</p> <ul style="list-style-type: none"> <li>- Cognition and learning</li> <li>- Communication and Interaction</li> <li>- Social, emotional or mental health</li> <li>- Sensory/or physical</li> </ul> <p>Attendance Check</p>	<p>SEN provision completed on whole class provision map to identify specific intervention programmes and provision.</p> <p>Parents involved during parents evening or at agreed time to support provision planning.</p>	<p>Interventions to be delivered as drawn up on timetable.</p> <p>Monitoring of interventions by SENCO.</p>	<p>Formative and summative assessments used to evaluate the impact of intervention.</p> <p>Discussed during pupil progress meetings.</p>

Parents and pupils involved and their views gained to help create profile.			
<b>Step 3: SEN Support- Personalised Learning Plan/Outside Agency Involvement</b>			
<b>Assess</b>	<b>Plan</b>	<b>Do</b>	<b>Review</b>
<p>Appropriate referral made for outside agency support. The following agencies may be used:</p> <ul style="list-style-type: none"> <li>- Specialist Advisory Service (SAS)</li> <li>- Educational Psychologist</li> <li>- Child Development Centre (CDC)</li> <li>- Barnardos ASD outreach service</li> <li>- Speech and Language Support</li> <li>- Access Pathway to identify correct support</li> </ul>	<p>A PLP will be drawn up by the class teacher, supported by the SENCO taking into account pupil and parent views and any recommendations from outside agencies.</p>	<p>PLP actions to be delivered on a daily basis alongside identified interventions.</p> <p>Staff may be supported with training from outside agencies.</p>	<p>Review meetings will take place with all professionals involves, parents and pupils.</p> <p>Formative and summative assessments will feed into this.</p>
<b>Step 4: Request for Education Health Care Plan</b>			
<b>Assess</b>	<b>Plan</b>	<b>Do</b>	<b>Review</b>
<p>At least two cycle of personalised learning plans will have been implemented and reviewed.</p> <p>A request for an EHC plan will be discussed with all during a review</p>	<p>EHC Plan to be drafted and submitted</p>	<p>Implement the EHC plan using outside agencies and identified training.</p>	<p>Termly reviews with parents, pupils and outside agencies.</p> <p>Annual Reviews for LA.</p>

<p>meeting.</p> <p>If agreed the SENCO will begin to collate paperwork to move forward with the assessment.</p>			
---	--	--	--

### 3. Involving parents of pupils with special educational needs and disability at Yarborough Academy

At Yarborough Academy we value the contribution of information from parents/carers and consult with them at numerous times throughout the academic year: -

- Parents are offered the choice of a parents evening slot or a day time SEN appointment once a term, where the progress and attainment of pupils is discussed along with the sharing of specific provision and interventions for SEND pupils.
- Opportunities for termly meetings with the class teacher and SENCO if preferred to parents evening. Again progress and attainment would be discussed along with specific provision and intervention.
- Organisation of additional meetings with parents of pupils with SEND when necessary. These typically involve sharing information, organising additional provision and gaining parent's views.
- Opportunities for parents to request a meeting with their child's class teachers or learning mentors or the SENCO.
- Some pupils require home-school diaries
- Inviting parents into school regularly e.g. coffee mornings and for exhibitions.
- Sharing of newsletters and up to date information from the local authority.
- Annual parental voice questionnaire.

In addition, the SENCO may signpost parents of pupils with SEND to the local authority Parent Partnership service (SENDIASS- Tel: 01472 355365) where impartial advice, guidance and support can be given. Parents are always invited to attend meetings with

external agencies regarding their child, and are kept up to date and consulted on provision plans for their child.

#### **4. Involving pupils with special educational needs and disability in their education at Yarborough Academy**

Pupils are consulted and their views sought through various tools depending on their age and ability. Children with SEND are asked about their own strengths and weaknesses when class teachers are developing class provision maps and personalised learning plans. Pupils complete questionnaires about their learning and school life each year.

Involvement will be tailored to children and take into account their preferred methods of communication. This may include:

- Giving children time to consider their views
- Allowing children to choose a friend to help them share their strengths and weaknesses
- Using clear and ordinary language
- Dedicating time in meetings through a child centred approach to hear their views
- Using different recording formats for views
- Ensuring staff are trained to support pupils during discussions

We will make sure that assessments include the wishes and feelings of the child, their aspirations, their strengths and weaknesses, the outcomes they wish to seek and the support they need to achieve them. Whenever possible we include pupils with SEND in planning how best to support them, and in reviewing their progress. This may include their attendance at a person centred review.

#### **5. Assessing and reviewing the progress of pupils with special educational needs and disability at Yarborough Academy**

All children are continually assessed through various checks by class teachers. Pupil progress meetings are held termly which involves the SENCO in order to specifically look at the progress for those pupils with SEND. Standardised test scores are looked at along with a summary of formative assessments made by the class teacher.

Following this class teachers meet with the SENCO to plan personalised learning plans or specific interventions. Personalised learning plans may be reviewed between every 6-12 weeks depending on the nature of the desired outcomes. Some pupils with SEND may have more frequent reviews if they are required.

Reviews can involve the pupil, the family and other professionals where this is appropriate.

Review meetings are used to:

- Discuss what is working well and not so well
- Find out if the provision is suitable and being delivered as planned
- Review how far the children have progressed towards outcomes
- Discuss the support needed
- Share advice and information
- Identify next steps, actions and responsibilities

## **6. Transitions between settings and phases of education**

At Yarborough Academy we recognise that transitions can be difficult for a child with special educational needs and steps are taken to ensure that they are planned carefully. Across the school transition meetings take place to share information for every child each year.

If a pupil is transitioning between settings the SENCO can visit other settings if necessary to establish background information and to find out what works well. If a pupil can be helped through a phased transition then this can be arranged if seen as appropriate. If you child would be helped by a book/passport/social story to support them, then one can be made for them.

Before a move to secondary school, the receiving SENCO is invited to attend all transition meetings. For Year Six's that need extra support for transition to secondary school, additional visits can be organised.

## **7. Teaching pupils with special educational needs at Yarborough Academy**

All children in school receive quality first teaching and are continually assessed by the class teacher.

We can also support pupils with SEND through other various means:

- High levels of differentiation and adaptation in class by the class teacher.
- Pre and post teaching
- Use of technology
- Specific interventions and additional learning opportunities are identified via the year group's provision map.
- Personalised learning plans (PLP's)
- Inviting and arranging times for external agencies to come into school to work with pupil's

## **8. Curriculum and learning environment for pupils with special educational needs**

At Yarborough Academy we deliver a Project Based curriculum. We want our children to be literate, numerate and curious about the world around them. Our curriculum enables a depth of learning for all pupils. Our bespoke curriculum is unique to our context and to the children of Yarborough Academy. Project based learning (PBL) engages, challenges, and inspires children to apply learnt skills in a real life context. A love of learning, thirst for understanding and opportunities to exhibit high quality work are central to the education of our children. For those pupils with SEND a variety of learning opportunities and styles are provided daily. Scaffolding, visual aids, technology and support are used when appropriate with our SEND pupils. Teaching assistant support will be given when necessary to pupils to address their specific needs. It is important that we develop pupil's independence and we promote the use of learning buddies and working walls to also support pupils with SEND.

## **9. Specialist services and expertise available at Yarborough Academy**

The school receives regular visits from the Local Authority's Specialist Advisory Service Team (SAS) and contracts the services of an Educational Psychologist for more detailed assessments. The school draws upon the advice and recommendations given from these services and uses it when planning interventions, additional provision and personalised

learning plans. We also work closely with speech and language therapists and provide opportunities for teaching assistants to sit in on 1:1 sessions so this can be replicated for pupils between sessions. We also work closely with the Communication and Interaction Team and if needed consult with the Autism Outreach service based at Barnardo's. The school also sign post parents to Barnardo's Parent Partnership if further support is needed during more detailed assessments.

## **10. Staff Training at Yarborough Academy**

At Yarborough Academy all teachers are responsible for SEND provision in the school.

- SENCO qualification is held by the SENCO
- Team Teach
- New SEND code of practice
- Level 1 and 2 Autism Awareness held by specific support staff
- Specialist Advisory Service (SAS) provide training on various interventions
- Functional Behavioural Analysis Training
- Continuing professional development is addressed upon the needs of the staff and whom they are currently working with. The SENCO acts upon this and organises appropriate CPD.
- SEMH training delivered by the behavioural health lead.

## **11. Support for social and emotional development at Yarborough Academy**

All staff support pupils in their emotional and social development throughout their time at Yarborough Academy. However, we also have our YA Care Team consisting of the learning mentor, behavioural health lead and two teaching assistants who provide additional support to individual children, supporting them through issues such as family separation, low self-esteem, friendships difficulties, anxiety etc.

The YA Care team support teaching staff with training and specific guidance for children in their classes. They also run a system in which staff can refer children in for a variety of needs. These children are looked at by the team and are allocated to specific interventions

or groups. Both the learning mentor and behavioural health lead also work with parents to support their children.

We also work closely with the Educational Psychologist and with Young Minds Matter (YMM) to support children with specific social and emotional difficulties.

Parents and families can also be signposted through the 'Early Help' process to support from Family Link Workers, which may include a referral to the family hub.

## **12. Additional activities available to pupils with special educational needs at Yarborough Academy**

All children are included and invited to participate in curriculum and extra-curricular activities if appropriate. During lunchtimes staff are made aware of pupils who may need additional support and we make the learning mentor's room and other indoor areas available for pupils that need to use this. If a pupil requires specific 1:1 support over lunchtime then this is carefully planned and organised with the member of staff.

## **13. How SEND provision is evaluated at Yarborough Academy**

When additional support, intervention or personalised learning plans are drawn up they are recorded on a provision map. These explain what additional support SEN pupils are receiving in order to address their barrier to learning. Each term these provision maps are reviewed. Personalised learning plans are reviewed between every 6-12 weeks depending on the individual's needs. During either of these types of reviews the class teacher, pupil and parents will look at what has or has not worked and the progress made. This will then inform their next steps. At times this may be done in consultation with the SENCO. The information will be shared with parents if they are unable to attend review meetings.
