

Home Learning Newsletter FS2

Friday 26th March

This week we have learnt

- All about castles following on from our friends interests.
- How to create a birds nest using natural materials like the mummy bird in our garden
- How to subtract using Numicon
- How to play lots of blending games using our fred talk.

Activity Menu

1. Get building Can you build a castle using a variety of different materials i.e. blocks, bricks.	2. Get story telling Can you create a story around the castle you have made? You could have wizards, princes, princesses and dragons!
3. Get looking Can you go outside and find a variety of natural materials to create your own birds nest.	4. Get researching Can you find out a castle fact ready to share on Monday when we continue our learning on castles.

We will celebrate everything that is uploaded or brought in during our Tuesday Morning Meeting

Don't Forget . . .

- To label all clothing and belongings
- To bring in some indoor shoes
- To upload your home learning to Google Classroom so that we can share pictures with the class.
- Your books and book bags
- We upload lots of our learning to twitter so have a look... [@Willow_Yacademy](https://twitter.com/Willow_Yacademy)
