

Home Learning Newsletter Year 2

Friday 24th May 2022

This week we have learnt:

- How the industrial revolution has changed our lives today
- How to use Venn diagrams.
- Looking at where money comes from.
- How to shoot and aim.
- What a steam engine is and how it works.
- How to use a keyboard

Activity Menu

Get Mathematical

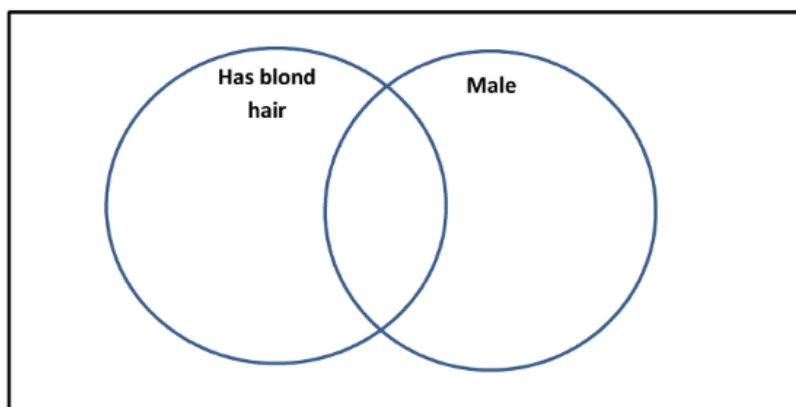

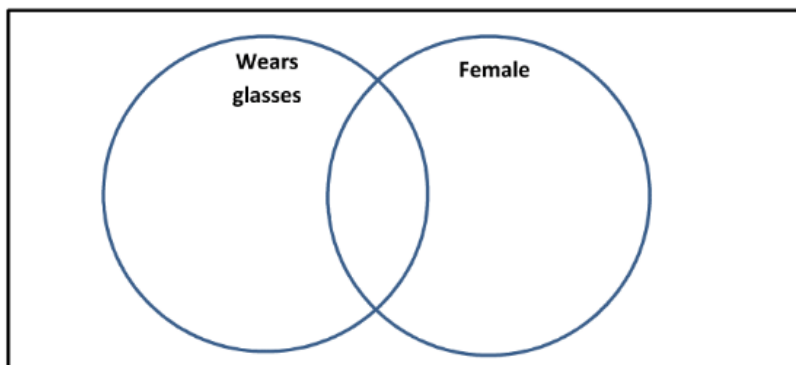

Can you complete this Venn diagram. You could copy the diagram and write the names in.

VENN DIAGRAMS SHEET 2

Put these people in the correct places in the 2 Venn diagrams.

						
Ben	Anna	Seb	Rosie	Jamie	Dan	Megan

Get researching

Can you research something that was invented around the time of the industrial revolution?

You could display this using pic collage.

Some of the questions you could find the answer to:

-Who invented it?

How does it work?

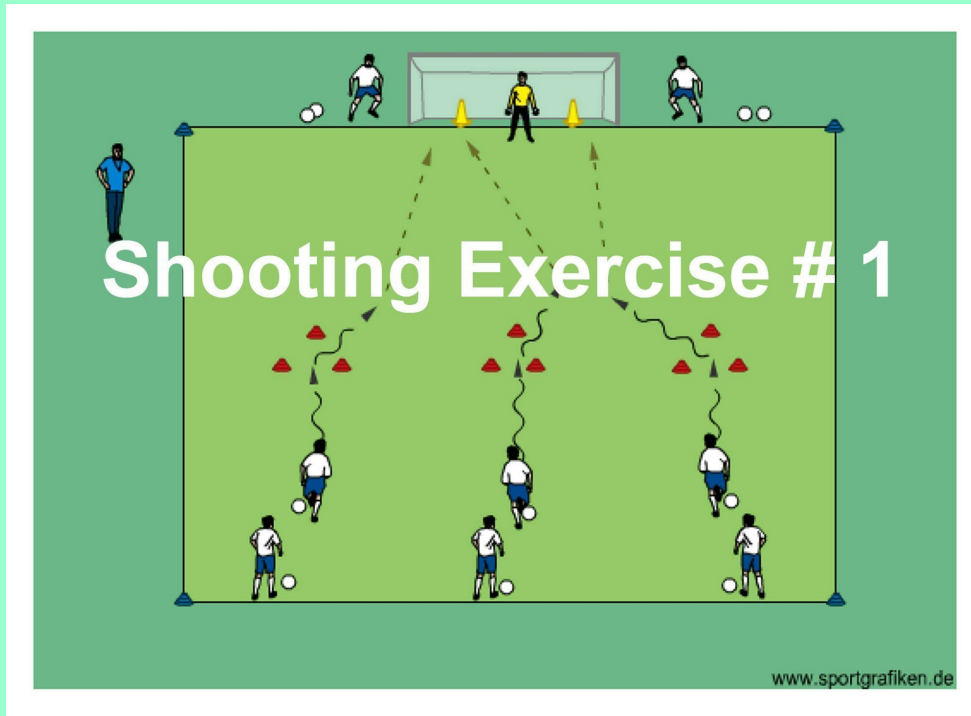

Does it look and work the same as now?

When was it invented?

Get shooting

Can you use the picture below to practise your shooting skills. You can use any ball, remember to use the inside of your foot and try different angles.

Get thinking

Put this link into your device and solve the puzzles to find out where the Jackson family get their money from.

<https://natwest.mymoney sense.com/challenge/where-does-money-come-from/>

We will celebrate everything that is uploaded or brought in during our **Tuesday** Morning Meeting.

Don't Forget . . .

- Year 2 PE is on Tuesday
- Sports day next Thursday afternoon
- With the warmer weather arriving finally please provide your child with a named hat and suncream. They will be applying this themselves. Please remind your child that they must not share their suncream.

THE MORE YOU GLOW
THE MORE OTHERS
GLOW BACK
