

Home Learning Newsletter Year 5

Friday 7th July 2022

This week we have learnt

- How to use the formal written method for short division.
- Continued writing our biographies on King Henry VIII.
- About reproduction in plants in animals.
- About the changes as humans develop from babies to old age.
- About life cycles in plants animals.
- In PSHE, we learnt have continued Relax Kids with Miss Brewitt.

Activity Menu

1. Get Reading	2. Get Writing
Practise your reading comprehension skills with the Marvellous Monarchs themed 60-second reads attached.	Use the story inspiration picture attached to write an original story. 1. Why was this city built in a cave? What is it called? 2. Who built it? 3. When was the city founded? 4. Who might live here? How large is the population? Are there many children and elderly people here? 5. What jobs do the citizens do?
3. Get Researching	4. Get Mathematical
Our next artist spotlight is an artist called Albrecht Durer who was famous for his intricately detailed prints. Use Kiddle.org to research him and find some interesting facts to share.	Scan the QR code or find the MyMaths lesson called 'Division Remainders' to practise dividing with remainders. You have been set the homework for this lesson which you should complete after the lesson.

We will celebrate everything that is uploaded or brought in during our Tuesday Morning Meeting

Don't Forget . . .

- With the hot weather coming up, please remember to send children into school wearing sun screen and water bottles and hats for outdoor learning times such as P.E.
- KS2 Sports Day is on Friday 1st July from 1:30pm, adults are welcome in school from 1:30pm.
- Information about classes for next year will be sent out today, please look out for the notification on ParentMail.
