

# Home Learning Newsletter Year 1

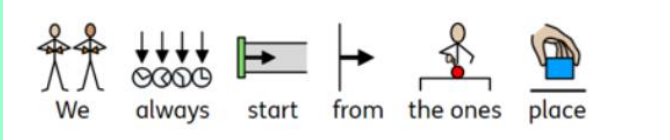

Wb Monday 27<sup>th</sup> March, 2023

This week we have

- Learnt about how to do column addition (without regrouping)
- Learnt about what The Great Fire of London is and how the fire spread so quickly in 1666. The Fire brigade came to visit and talk to us about what happened at that time in History.
- In Maths fluency we learnt about doubles up to 10.  $10+10=$  we also learnt about halving and what it means to half something.
- We learnt about how to make our sentences more exciting by adding adjectives. We also learnt about what an acrostic poem is, planning for us to create our own.

## Activity Menu

1. Get Creative	2. Get Mathematical
<p>Paint a scene of the Great Fire of London. What colours are you going to use for the fire and the houses? You can use oil pastels, crayons, anything that you would like!</p> 	<p>Please complete the column addition sheet for home learning.</p> <p>Remember to always start with the ones!</p>
