

Home Learning Newsletter Year 4

Friday 14th July

THIS WEEK WE HAVE ...

- We have participated in outdoor learning with Mr Jacklin
- We have finished art work around our spotlight artist Rembrandt
- Practised the recall of times tables.
- We have been practicing our music skills using Glockenspiels to create a walking bassline
- We have finished our maths mission using short multiplication and division methods
- We have completed individual reading sessions and completed the Reading Plus assessment
- We have had conversations in French around clothing and being able to use adjectives to describe them

Activity Menu

1. Get... Mathematical!	2. Get... Researching
Can you complete the work set on My Maths around fractions and decimal numbers?	As summer is approaching we should be reminded how to keep ourselves safe in the sun and out and about with our friends. Can you create an informative poster for your peers on how to keep safe this summer?
3. Get... Creative	4. Get... Practicing
Next week is your last week in year 4. Can you create something that symbolises your time in year 4? This may be a picture, a model, a video or anything else that may symbolise your time in year four. These will be added to your transition boxes next week.	Next Friday we will be holding a games afternoon which will include the skills learnt in PE this year. Can you practice your throwing, feinting and catching skills ready for some volleyball/dodgeball? Practice with family and siblings! Are you able to explain the rules of these games to someone at home?

We will celebrate everything that is uploaded or brought in during our Tuesday Morning Meeting

Don't Forget . . .

- Remember that the reading target each week is to read at least 3 times a week at home, including once to an adult. This can be using books or readingplus.com account online.
- Pupils in both classes have their own readingplus.com account to use at home as well as at school.
- Children will have another transition afternoon with their new teachers/class on Monday,
- Also practise times tables each week - pupils should be confident with these by the end of Year 4. Use TT Rockstars accounts as well as Hit the Button and other games.
- P.E. kits are required next Friday for games on the last day of term.
- Please remember to access Google Classroom

- We close for the summer holidays next Friday at normal time.
